About me

I'm a Visual Communication Design student interested in branding, packaging, and visual storytelling. I enjoy combining thoughtful design, typography, and creative problem-solving to turn ideas into meaningful visual experiences. Inspired by cinema, I'm always eager to learn, experiment, and explore new creative approaches.

Experience

Graphic Design Intern

Hobotz Advertising Agency
Kochi, Kerala
June – July 2025 | 2 Months

Contributed to branding, digital creatives and promotional designs using Adobe Illustrator and Photoshop.

Design & Creative Projects

Branding, Packaging & Copywriting

Developed a complete brand identity and brand book for an airline, designed premium Italian limoncello packaging inspired by Mediterranean culture, and created a cohesive visual identity and packaging concept for a cheese brand. Also developed creative product names, taglines and brand copy for a cinema-inspired stationery collection.
